# ABOUT

Sinaholz Qatar Branch comprises business persons who have joined forces to deliver high-grade products and services to everyone living in Doha and all close by locations. Our dedication to make our nation a better place motivates us. We give you no less than your money's worth. We also create job opportunities for our employees who are from diverse backgrounds and have different academic qualifications. With us, men, women, and kids can lead more comfortable lives.

# LOGO USAGE

Avoid rotating the logo, distorting it, partially covering it up, or displaying it directly on a photo

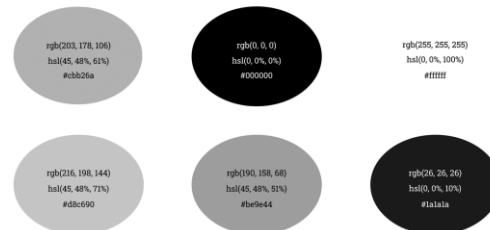

# THE LOGO

Our logo is an integral part of our brand, and should be used thoughtfully and consistently. Our logo is often displayed in its full-color format and in its entirety.

# COLORS

Our brand is made up of the following colors. Any colors outside of this palette must be used with discretion.

# LOGO VERSIONS

Our full-color logo is our primary colorway - but only use it when displaying the logo on a white background. When displaying the logo on a photo or colored background, use the white or black version.

# TYPOGRAPHY

Typography is the work of typesetters, typographers, graphic designers, art directors, comic book artists, graffiti artists and now anyone who arranges words, letters, numbers and symbols for publication, display or distribution.

(Name of the header font)

## Header text example

(Name of the body font)

Body font example. In publishing and graphic design, Lorem ipsum is a placeholder text commonly used to demonstrate the visual form of a document or a typeface without relying on meaningful content. Lorem ipsum may be used as a placeholder before the final copy is available.

# Branding

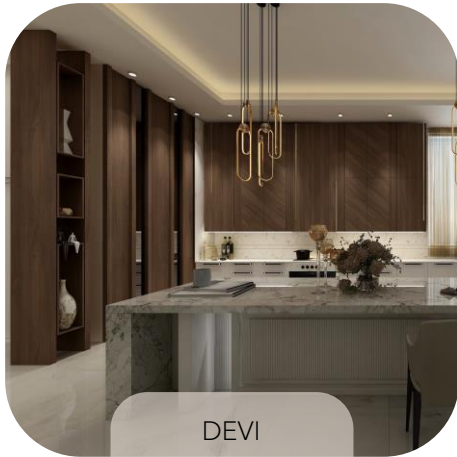

All what you require for your commercial character and discipline!

- Logo & Icon Design
- Brand guideline
- Social Profiles and Covers
- Email Signatures
- Business Documents
  - Letterheads
  - Invoices
  - Envelopes
- Business cards

<?The Sinaholz team>

were in the

<wooden cabinet and furniture industry/> for more than 20 years,

from

<production to sales and implementation to end users internationally/>,

same time they empowered themselves with the latest

<technology/> all the time.

They moved along their <journey/> and they tried to find

<solution/>

for all their needs and stay flexible with the changes in the world.

Now they are sharing their experiences and best practices with their coworkers in the same field.

We believe in <win chain/> and we take responsibility for our word, this

is the best way to achieve success.
